CONTESTACIÓN A PETICIÓN DE INFORMACIÓN DEL SENADO 2023 – 0035

Estimado secretario del Senado:

El Senado de Puerto Rico, a través de una comunicación con fecha de 18 de enero de 2023, dirigida a nuestra atención, notifica que, en la sesión celebrada en la misma fecha, se aprobó la “Petición de Información 2023-0035”, presentada por el senador Zaragoza Gómez. En dicha Petición se solicitó detallar los fondos federales asignados al Departamento de Salud con fecha de vencimiento, propósito para el cual fueron asignados, estatus de asignación de los fondos, asignación total y monto restante de asignación.

En cumplimiento con la solicitud de este Honorable Cuerpo Legislativo, a continuación procedemos a proveer la información solicitada. Además, se acompaña como Anejo 1 una tabla con la lista detallada de los fondos federales asignados activos:

En primer lugar, debemos destacar que al 31 de diciembre de 2022, el Departamento de Salud tenía ochenta (80) proyectos FEMA aprobados que totalizan \$230.6 millones, de los cuales se han desembolsado \$55.4 millones.

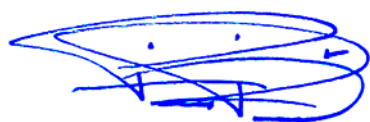

Por otro lado, relacionado a subvenciones federales el Departamento de Salud participa de cuarenta y siete (47) Programas Federales. La cantidad asignada totaliza \$4,487 millones de los cuales:

- \$3,473 millones corresponden al Programa Medicaid,
- \$374 millones al Programa de Epidemiología y Laboratorio (ELC, por sus siglas en inglés),

- \$303.8 millones al Programa Especial de Nutrición Suplementaria para Mujeres, Infantes y Niños (WIC, por sus siglas en inglés),
- \$82 millones al Programa de Vacunación,
- \$36.5 millones para mejorar las destrezas de la fuerza laboral del sistema de salud,
- \$36.3 millones para el Fondo Rotatorio para Agua Potable y
- \$19.5 millones a Prevención del VIH.

Esperamos que esta información sea de utilidad y nos reiteramos a sus órdenes para cualquier otro asunto que así lo entiendan necesario.

Cordialmente,

FÉLIX RODRÍGUEZ SCHMIDT, MD
SECRETARIO DE SALUD INTERINO
